

Join us for Skills for Care's 5 day management programme or we can deliver for your organisation at a venue of your choice.

We are the leading provider of assessment, eLearning and continuous competence recording for the social care sector and we are offering this course as part of our blended approach to learning.

We are proud to be a Skills for Care Recognised Provider with Centre of Excellence and a member of the Care Learning Coalition.

Course aims:

Support aspiring leaders and managers to develop their leadership and management potential through understanding how successful behaviours and practical strategies can support them in their day to day work, as well as considering how they could implement these behaviours and strategies, now and in the future.

Topics covered:

1. Successful behaviours for leaders and managers
